

**DR. ARUN KUMAR KASHYAP,
CHIEF RESEARCH MANAGER (IPR),
INDIAN OIL CORPORATION LTD (IN)**

Employed with Indian Oil Corporation Ltd. (R&D Centre) since 1978, he has been spearheading the IP issues at IOCL since 2002.

His earlier assignments at IOC comprised of development of automotive oils and synthesis and evaluation of rheology modifiers such as viscosity index improvers, wax dispersants, pour point depressants and drag reducers.

Prior to joining IOCL, he had a brief teaching assignment at BITS, Pilani for one year. A Polymer Scientist by training, Dr Kashyap holds a PhD from IISc, Bangalore in 1977.
