

**DR. BRENT BELLOWS, PARTNER,
KNOWLES INTELLECTUAL PROPERTY
STRATEGIES, LLC (US)**

Brent R. Bellows, Ph.D., Esq. is a Member of Knowles Intellectual Property Strategies, LLC. Dr. Bellows' practice focuses on pharmaceutical and biotechnology product placement and partnering, U.S. and international patent prosecution and litigation strategies, due diligence investigations, licensing, and strategic patent portfolio positioning in the chemical, biological, and medical device fields.

Dr. Bellows has assisted a number of established and start-up companies in patent matters relating to aptamer-based therapeutics, small molecule therapeutics, small molecule and peptide manufacturing, protein expression systems, cellular immunotherapies, vaccines, gene delivery, and medical devices. In addition, Dr. Bellows has represented companies in patent infringement suits concerning medical devices, industrial biotechnology, computer networking, software, information services, and transportation logistic services.

Dr. Bellows received a dual degree from the University of Miami in 1994 (B.S. in Marine Science and Biology with a minor in chemistry, with honors), and a Ph.D. from the University of Alabama at Birmingham (UAB) in Human Genetics in 2000. Dr. Bellows' Ph.D. thesis focused on the identification of tumor antigens, and his research related to several disciplines including molecular biology, molecular genetics, biochemistry, immunology, and virology.

Dr. Bellows received a J.D. from the University of Virginia in 2003, and served as a Law Clerk to Judge Charles A. Pannell, Jr. in the Federal District Court for the Northern District of Georgia.

Dr. Bellows is admitted to practice in Georgia, the United States Patent and Trademark Office, the U.S. District Court for the Northern District of Georgia, the Federal Court of Appeals for the Eleventh Circuit, and the Federal Court of Appeals for the Federal Circuit.
